Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Set among the splendor of the Rocky Mountains, The Grant Conspiracy (Wake of the Civil War) takes you to a Colorado mining town that s being torn apart by a couple of crooked attorneys out for revenge. Frost and Hancock are ex-Confederates who, with the help of their henchmen, are plotting the assassination of former president Ulysses S. Grant. But they re not angry over the war; rather, their hatred comes from pure greed. They lost their fortunes when Grant dumped government gold on the market. Now, with Grant planning a tour of the Rockies, they re scheming to lure him to Mountain Springs by inviting Matt Tyler, the man who saved the general s life during the war, to come work for their law firm. However, President Hayes is on to them and he s sending the young lawyer to Colorado on a dangerous mission to scuttle their plan. Greeted by the brutal murder of a law clerk, Matt can immediately smell trouble in the air. With allies such as the beautiful Jennifer White, who has incurred the constant ire of the firm with her blazing newspaper editorials, Matt sets out to save Grant s life a second time-and bring peace to the fractured town.
