

A King Condemned: The Trial and Execution of Charles I

Filesize: 7.6 MB

Reviews

I actually started off looking over this publication. Indeed, it really is play, nevertheless an amazing and interesting literature. Its been printed in an exceedingly basic way and is particularly just right after i finished reading this ebook by which actually altered me, affect the way i believe.

(Toney Bernhard)

A KING CONDEMNED: THE TRIAL AND EXECUTION OF CHARLES I

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, A King Condemned: The Trial and Execution of Charles I, C. V. Wedgwood, Clive Holmes, The reign of Charles I, defined by religious conflict, a titanic power struggle with Parliament - culminating in the English Civil Wars, the execution of the king and the brief abolition of the monarchy - was one of the most turbulent in English history. Six years after the First Civil War began, and following Charles' support for the failed Royalist uprising of the Second Civil War, an Act of Parliament was passed which produced something unprecedented in the history of England: the trial of an English king on a capital charge. There followed ten extraordinary weeks which finally drew to a dark end on 30 January 1649, when Charles was beheaded in Whitehall. In this acclaimed account, C.V. Wedgwood recreates the dramatic events of the trial and Charles' final days, bringing vividly to life the main actors in this tragic and compelling story.
