Brand New Book ***** Print on Demand *****.The Republic of Colombia is the fourth largest economy in Latin America, after Brazil, Mexico, and Argentina, and has the third largest population with approximately 46 million inhabitants. It is the only country in South America with two coasts (Pacific and Caribbean), which provides tactical shipping advantages in today s global economy. Aided by major security improvements, steady economic growth, and moderate inflation, Colombia has become a free market economy with major commercial and investment ties to the United States, Europe, Asia and the rest of Latin America. Since the implementation of the U.S.-Colombia Free Trade Agreement (FTA) on May 15, 2012, U.S. exports to Colombia have increased nearly twenty percent. Nevertheless, Colombia may be a far different country than many U.S. exporters expect. In fact, the past ten years have brought extraordinary change to the country in terms of economic development due to improvements in the national safety and security situation. Strong political stability, a growing middle class (35.3 percent of the population), and improved security have created an economic boom in Colombia that, coupled with the government s conservative fiscal policies, lessened the impact of the global economic crisis. Key economic indicators demonstrating the positive long-term effect of Colombia s political and economic policies include: GDP growth of 4.3 percent in 2013; and foreign direct investment of US\$ 16.8 billion in 2013, a record for Colombia, which is an increase over the previous record of US\$ 15.3 billion in 2012. These are all signs of a strong and growing economy. Due to Colombia s close ties to the United States and Colombians appreciation for the quality and reliability of U.S products, consumers in Colombia often favor...
