## JUST KIDS (PAPERBACK)

America Star Books, United States, 2006. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Children are enthralled by stories involving other kids growing up in very different places or in different cultures. JUST KIDS gives them a collection of such stories. It takes their parents on a journey to help them understand the challenges their children encounter daily. Though they may consider their children mature and smart for their age, these stories alert parents to their children's need to just be children and to act out their feelings, as they discover the world around them. Each JUST KIDS story paints a clear picture of what it is like to be a child, surrounded by culture and expected to learn how to fit in with a society of peers. JUST KIDS presents a collection of unique stories to be read and enjoyed by children from ten to sixteen years old. It is a book that can be read at bedtime, in classrooms, or at any appropriate storytelling time.
