BASIC SPANISH FOR TEACHERS is a career manual designed to serve those in the teaching professions who seek basic conversational skills in Spanish. Written for use in two-semester or three-quarter courses, it presents everyday situations that teachers could encounter in various work settings (public and private elementary, middle, and high schools) when dealing with Spanish-speaking students and parents/guardians in the United States. This second edition introduces practical vocabulary, everyday on-the-job situations, and culture notes (Notas culturales) written from a cross-cultural perspective. It provides opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the Basic Spanish core text.
