Book Condition: New. Publisher/Verlag: Palgrave Macmillan | How to Make Your Money Grow in a Volatile Global Economy | Drawing on his 30 years' experience providing investment solutions to individuals and their advisors, expert investor Tim McCarthy, explains how to create a globally diverse portfolio to help navigate risky markets. Through engaging real-life stories and his seven key lessons, McCarthy plots a straightforward path to investment success. | Investing information is everywhere; there are blogs, newspapers, magazines, and cable TV shows all dedicated to helping individuals invest in smarter and more successful ways. And more than ever, people are scared about whether they can grow their money enough to last through their lifetime. Expert investor Timothy McCarthy has spent the last 30 years in the US and overseas providing investment solutions to individuals and their advisors. He believes that understanding how to create a truly globally diverse portfolio while applying the magic of time will help all investors navigate risky markets. McCarthy also explores the fundamentals of picking and evaluating financial advisors for those who want to understand the principles of investing but not actually do the work themselves. McCarthy helps guide the reader along a straightforward path to investment success by telling engaging and actual stories to illustrate each of his seven lessons of successful investing. The Safe Investor will help even those readers with little interest or aptitude for finance to be comfortable in knowing what to do to manage their life investment plan and how to manage their...
