However, according to the author, a new wave is on the rise, and here. The next dream is very much in the making for anyone with any innovative and entrepreneurial spirit. In his new compelling book, The 3rd American Dream, Suresh - an internationally acclaimed business leader, entrepreneur and a thought-leader - shares his insights and conviction supported with a pragmatic roadmap to make it happen faster. Drawing from his own demonstrated global business and entrepreneurial successes, as well as his perspective as an immigrant, Suresh is committed to inspire all Americans to unlock their potential and to realize an unprecedented wealth creation in the twenty-first century. The heart of this book is about American way of life, entrepreneurship and innovation. Impact and reach, however, is bound to be global. He thus lays out a pragmatic and inspirational game plan for Americans to create a groundbreaking ecosystem - at individual as well as societal level...
