Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1922 Excerpt: .the State Board of Charities) that in 1920 over 31 per cent of all babies born in Rochester were born in the hospitals of that city; in Albany over 45 per cent were born in hospitals; in Binghamton 27; in Niagara Falls 32; in Syracuse 43; in Yonkers 27; Amsterdam 23; Elmira 43; Jamestown 53; Watertown 41; Cortland 46; Geneva 43; Glens Falls 37; Hornell 34; Hudson 36; and so on. The question immediately arises as to how many of the mothers came from the surrounding districts which have no local hospital service and what effect this may have on the infant mortality from various causes, at specific ages etc., in defining the exact problem of each city. The charts show that in the most northern tier of counties, in both the cities and the rural districts, every type of infant welfare work is needed; all...

Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Dr. Hermann Marvin PhD

A whole new electronic book with an all new perspective. It is one of the most incredible book we have read. Your way of life span will likely be convert when you comprehensive reading this article book.

-- Spencer Fay
