Rosen Classroom, United States, 2015. Paperback. Book Condition: New. 197 x 197 mm. Language: English . Brand New Book. Real-life situations and relatable narratives guide math students through the fundamentals of algebra, which is an essential part of second-grade math. Readers will learn the skills needed to fluently add and subtract, while also building a foundation for the more complex skills that will be needed at higher levels of education. Engaging visuals complement high-interest topics, while visually appealing designs help to make the math concrete. Readers go backstage at a big dance recital to discover the way the dancers prepare and to learn important facts about even numbers. This volume meets CCSS Math Standard 2.OA.C.3.
