Thousands of business books have been written and are readily available today, and many are excellent. They come in a variety of forms - self-help and how-to s, autobiographies and biographies, principle-based narratives, allegories, historical perspectives, and many more. But as author Robert J. Tamasy asserts, no book offers more practical, relevant wisdom for the 21st century workplace than the ancient book of Proverbs. Having worked as a publisher and in executive roles with several non-profit organizations, he understands very well the challenges...
