If you have ever wanted to modify or create your own clothes and accessories this book is just the guide that you need. Take the lessons learned from some up-cycling pros and put our years of experience to the test as we show you how you can make the most of your own home spun designing experience. Come along with us as we guide you through the best designs and projects for the amateur and veteran up-cyclist alike. From t-shirts that can be turned into designer staples to common household accessories we run the gamut of what can be up-cycled and what can not. We also stress throughout the chapters which materials would be good for what projects and how you can maximize your time and energy during the process. Please, follow along with us as we make some good use of all those old clothes! Some things that we will discuss in this book: Up cycling T-shirts Up cycling Dresses...
