Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This collection of cartoons, Not All Black and White Volume II, by author Vincent Yanez, are drawings that were either published on websites and Facebook pages throughout the last couple of years, were drawn and then forgotten in a virtual drawer somewhere, or were rejected by reputable organizations who knew better than to actually show these to their viewing public. They are a random assortment of political /social commentaries, questions pertaining to certain religious viewpoints, and a lovely group of drawings that were an inspiration for an entire group of people who understand the magic of tater tots.
