Xlibris Corporation. Hardcover. Book Condition: New. Hardcover. 264 pages. Dimensions: 8.6in. x 5.7in. x 0.8in. Lionel Maithri was born in Sri Lanka and even as a child had a burning desire to understand the meaning of everything he saw. At the age of seven he had a cosmic consciousness experience, which implanted in him a source of inner energy to find answers to all his questions. His life was completely changed by this experience, but he was frustrated at that time by his inability to verbalize what he experienced. This seventh year epiphany was followed by a number of spiritual experiences, for example during his solitary meditations while in Africa he felt the activation of Kundalini energy with the progressive opening of his seven energy centers or Chakras. Later in life while on retirement in California he had a remarkable Near Death Experience in 1993 during a bypass surgery. Details of these experiences and their impact on his life are described in this book. Lionel Maithri obtained his first degree in linguistics and social sciences from the University of Sri Lanka in 1950. On the merit of obtaining seventh position in the Civil Service Competitive Examination in 1952 he was recruited to the National Administrative Service and worked for twenty years in senior Administrative positions in Local Government, Higher Education, and Administrative Training. During this period he obtained several postgraduate qualifications from the University of London and the University of Birmingham in UK. In 1975 the United Nations Development Program recruited him as a Human Resource Development and Training Consultant for developing countries. His work with the United Nations and other International Agencies took him to nearly fifty different countries giving him an opportunity to pursue his interest in the study of comparative religion by direct...
