Createspace, United States, 2012. Paperback. Book Condition: New. MS Aidana Willowraven (illustrator). 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Chocolate Drip is a Prophetic word from God given to the author about the different types of Christians that are in the church. This book gives a symbolic look at the different types of persons that make up the body of Christ, by way of using Candy Bars. This book is simplistic and covers a multiple of issues that are being pushed under the wrapper (rug) in the church. The Chocolate Drip is a vision that the author received from God in 2009. She is sharing the message with hopes of helping someone to turn from unhealthy behaviors while seeking their destiny in life. The Chocolate Drip is not a book to bash any religion, sect of people or to make mockery of religion. It is clearly a book to educate outside of the box.
