OLD TESTAMENT READING PLAN WORKBOOK: LEVEL I MIDDLE SCHOOL (PAPERBACK)

Carpenter s Ministry Press, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Developed from the 70 Most Important Events in the Bible, the Old Testament Bible Reading Plan and Workbook for Middle School is a one year, 33 week reading plan with comprehension questions. Until this point, most students have heard and talked about various stories in Sunday School but have never had the opportunity to read God s redeeming story in context themselves. The middle school comprehension questions are primarily plot oriented in order to give students an overall understanding of the story of God s Old Testament people. Students should be able to relate the stories back to the educator with accuracy and be able to tell what God is doing and what the people are doing as well as apply what they know about them in different ways. Answers are not included as students should not be looking for what the author or the pastor/educator thinks, but what they think. If educators are unfamiliar with any particular reading they may read along with the students. To God be the glory, great things He has done!.
