Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is an honest look into opportunities and the real picture of corporate America. Most jobs suck for many factors. Let me ask you have you ever worked at a company that has horrible management? The kind of manager that has no idea what's happening yet they keep their job? The corporate world has become a common dumping ground for the it wasn't me business person, no one wants to be accountable for their actions anymore or the results, well unless there good results. the best book you'll read this year, now the title jobs suck is properly named. I'm giving you a real a brutal look at the ridiculous circumstances most of the world has to endure to support their families. There are an insane amount of nut job bosses, incompetent managers in the work place are a modern day epidemic, and it's out of control. I truly believe as human being we aren't meant to spend our earthly existence in a cubicle. It's unnatural, hey...
