By L. Ron Hubbard

New Era Publications International APS. Paperback. Book Condition: new. BRAND NEW, Scientology: The Fundamentals of Thought: The Basic Book of the Theory & Practice of Scientology for Beginners, L. Ron Hubbard, Imagine an age where the predictability of science and the wisdom of religion combine. Scientology is called a spiritual technology for a reason. Scientology provides tools to assist you to find your own answers to your questions about existence, your own truth about your life and you. The word Scientology comes from: Scio (Latin) 'knowing, in the fullest sense of the word', logos (Greek) 'study of'. Thus Scientology means 'knowing how to know'. Although modern life seems to pose an infinitely complex array of problems, Scientology maintains that the solutions to those problems are basically simple and within every man's reach. Difficulties with communication and interpersonal relationships, nagging insecurities, self-doubt and despair each man innately possesses the potential to be free of these and many other concerns. This book was designated by L. Ron Hubbard as the Book One of Scientology. It gives the basic philosophical principles of Scientology, and shows practical application how to improve conditions in life. It covers concepts like the relation of mind body and...
