Brand New Book ***** Print on Demand *****.A young collector found him, without a shred of memory, at an abandoned kingdom believed to be unfit to support life. Most of the Collectors thought of him as a waste of time, but the strongest of them vouched for his hidden potential. Kept for the leader's lust of power, he was put under the care of Kareu Sangfraid, the older brother of the Collector who had found him. As time went by, a great attachment formed between the brothers and s=child, and without realizing it, the child affected everyone in unpredictable ways, setting the seeds for an upcoming war that he himself was unaware. The pieces were coming together bit by bit as an old prophecy began to take its course, awaking uproar in Veronia and its unseen twin world, bringing together a group of misfits from different corners of the world that would have never met otherwise. They will have to work together to protect the balance between the twin worlds, but other forces aim to stop them before they can even begin.
