

The Cambridge Encyclopedia of Language

By Crystal, David

Cambridge Univ Pr, 1987. Hardcover. Book Condition: New. 11" x 9". New. Abkhaz, accents, acoustics, advertising, bilingualism, blasphemy, and brain function; child language, chimpanzee communication, Creoles, crosswords, dialects, and dictionaries; Esperanto, ethnicity, forensic linguistics, and grammar; handicap, handwriting, Indo-European, intonation, Japanese, and Kannada; language learning and teaching, language planning, machine translation, morphology, and motherese; names, national languages, onomastics, phonetics, phonology, and prescriptivism; reading, rebuses, semantics, signing, speech synthesis, spelling, and stylistics; taboos, typology, universals, the voice, and voice-prints; wolf-children, writing, Xhosa, Yoruba, and Zulu . Any list can only begin to convey the enormous diversity, complexity, and intrinsic fascination of the human faculty of language which is celebrated in The Cambridge Encyclopedia of Language. Carefully developed to present an exceptionally wide range of information in a lively, readable and visually exciting way, it provides the general reader with a succinct, thematic account of language variety, history, structure, and behaviour. Above all it responds to the everyday questions that arise when, for example, teachers face multilingual classrooms, parents listen to their children beginning to talk or read, or professionals consider the practical applications of linguistic research. At the same time the encyclopedia reflects a deeper level of interest, arising out of...

Reviews

This publication is worth getting. This is certainly for those who statte that there was not a well worth studying. Its been written in an exceptionally simple way in fact it is only after i finished reading through this ebook in which in fact transformed me, modify the way i believe.

-- **Mr. Hester Prohaska DVM**

Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.
