Centre for Addiction and Mental Health, Canada, 2008.
Paperback. Book Condition: New. Revised ed.. 229 x 155 mm.
Language: English . Brand New Book ***** Print on Demand *****.This book is a valuable resource for health and social service providers who are not specialists in addiction or mental health issues, but who would like to talk about these issues with clients. A growing number of people who come to helping professionals are struggling with a substance use, gambling or mental health problem-or more than one of these problems concurrently. This guide provides information about how to empathically and non-judgmentally raise these issues with clients, and how and where to refer clients for a more thorough assessment and treatment, when needed. With these tools in hand, service providers will be able to prevent countless people from falling through the cracks.

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
