Bare-Handed Survival Shelters: Tried-And-True Techniques for Emergency Shelter

By Fred Demara

Paladin Press,U.S. Paperback. Book Condition: new. BRAND NEW, Bare-Handed Survival Shelters: Tried-And-True Techniques for Emergency Shelter, Fred Demara, Native Americans and aboriginal people everywhere survived, and often thrived, because of their wealth of common sense and backbone. Being a Neolithic man in North America or elsewhere could be a hard-scrabble proposition, with no room for the weak and scant tolerance for doing things that did not work. Generation after generation was taught how to do things the old way, because the old way was proven to work with the resources they had. Shelters built with the tried-and-true techniques and materials of Native Americans-and even those who came before them on this continent-still work. In Bare-Handed Survival Shelters, author Fred Demara, author of Eating on the Run and Survival Guide to Edible Insects, teaches what has been proven to work for improvised shelters, because learning by trial and error is too costly in a survival scenario. Building emergency shelters starts with knowing what can be done and then learning the expedient way to do it. Odds are in your favor that these largely forgotten techniques will get you through, even if you start bare-handed, regardless of whether you need to survive...

Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published ebook. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).

-- **Graciela Emar**

Thorough information for pdf fans. It really is really interesting through looking at time. I am easily will get a satisfaction of studying a published pdf.
