

Evidence of Life After Death A Casebook for the Tough-Minded

By Arthur S. Berger J. D. .

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 220 pages. Dimensions: 8.0in. x 5.2in. x 0.6in. Is there life after death Science says there is not. But what about those constant reports of paranormal phenomena supposedly proving life after death, such as near-death experiences that give people glimpses of another world We must understand that not all paranormal phenomena, whether the near-death experience, messages from the dead, apparitions or other kinds, are evidence of an afterlife. Arthur S. Berger's aim, as symbolized by the book cover picture of Auguste Rodin's *The Thinker* as he sits in deep contemplation, is to encourage us to think critically about these phenomena. A veteran researcher, Berger shows us the right questions to ask and the possible explanations to consider. His book is aimed at the tough-minded reader who is open-minded and wants to form balanced judgments based on facts, reasoning and consideration of explanations pro and con. Berger presents 30 different cases that illustrate a variety of the mental, mediumistic and physical phenomena claimed as proof of life after death. Following each case, notes encourage readers to think critically about the case because they offer arguments and counterarguments,...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
